-----  
It has been our pleasure to file the application for registration and issue the enclosed certificate of filing evidencing the authority of the referenced foreign entity to transact business in Texas.

Unless exempted, the foreign entity is subject to state tax laws, including franchise tax laws. Shortly, the Comptroller of Public Accounts will be contacting the entity at its registered office for information that will assist the Comptroller in setting up the franchise tax account for the foreign entity. Information about franchise tax, and contact information for the Comptroller's office, is available on their web site at <https://window.state.tx.us/taxinfo/franchise/index.html>.

The registered foreign entity is not required to file annual reports with the Secretary of State. An application for amended registration must be filed with the Secretary of State if the foreign entity changes its name, changes the purposes to be pursued in Texas, or changes the assumed name it elected to use on its application for registration. It is important for the foreign entity to continuously maintain a registered agent and office in Texas. Failure to maintain an agent or office or file a change to the information in Texas may result in the revocation of the entity's registration by the Secretary of State.

If we can be of further service at any time, please let us know.

Sincerely,

Corporations Section
