Trash Compactor Room + Chutes Odor Control

We installed 1 AirPro System and 3XStreme Vapor Odor Control Stations in the trash compactor room. The AirPro requires a standard 110V/120V power outlet. One XStreme Vapor Odor Control Station will be mounted on the wall near the system. **Vapor solution refills are done once a month by an ECOLO service technician.**

AirStreme Fan Dispensers

Qty. 7 Fans

We installed AirStreme Fan Dispensers w/Odor Neutralizing Gels. The fans are battery operated. No power outlet required. **An ECOLO technician will replace the Gel cartridges and batteries once a month.**
:

TOTAL COST PER MONTH: \$246.50 + tax

This is a month to month service agreement. Cancellation requires a 30 day written notification to ECOLO. Only ECOLO can take down the equipment upon cancellation.
