Good afternoon Amanda,

I am sorry I have been in meetings all day yesterday and I am in meetings all day today as well. I will send you the numbers right now, and then send the hard copy proposal tonight.

My suggestions for Monday through Thursday would be from 7am to 7pm. I know that is more than the usual business hours, but the reason I suggest that is so residents can be greeted or helped before and after they go to/come back from work. Concierge would be able to welcome residents back to their own home and see if they needed help with anything, since by 7pm most residents should be back home from work. We charge \$18 per hour for concierge service as a normal rate, and \$21 per hour for the holiday rate.

I will also send you all the details regarding the car wash tonight. Thank you!

Thank you and kind regards,

Mohamed Shaker

How are we doing? Please leave us a review!

Good Evening Mohammed,

Thank you for taking the time to call me back. I am interested in the Concierge Service at The Hayworth. Let me know what schedule you think is best. I would like 24hr on Saturday and Sunday and maybe Friday but would like to know your suggestions on Mon-Thur. We will not be hiring a concierge for the staff at The Hayworth.

Would you also send me information about the car washing service.
